

Associate In Arts: Music

This two-year program includes classes in music theory, ear training, and music technology, as well as an overview of music history and literature. Music majors receive private instruction on voice or an instrument and participate in one or more of HFC's performance ensembles.

Certificate: Recording Arts

This one-year program includes hands-on experience in digital audio engineering, mixing, and mastering with the opportunity to be certified on the industry-standard Avid Pro Tools software. Recording Arts majors also develop their musical skills by taking courses in music theory and ear training.

Performing Ensembles

Chorus ■ Vocal Jazz
Symphony Band ■ Jazz Band

HFC's bands and vocal groups are open to all HFC students (regardless of major) and to members of the community. Open rehearsals are held during the first week of classes.
