Which benefits are right for you and your family? The choice you make can impact your future. To help you with this important decision, we are providing this guide. This is important benefit information for you and your family. Please take the time to read this information carefully to ensure you are well acquainted with your benefit options.

## ANNUAL ENROLLMENT

There is an annual enrollment period held each fall for the benefit programs that Henry Ford College offers. During this time, you can review and revise your elections as necessary to best meet the needs of your family.

Enrollment is conducted using BenXpress, Henry Ford College's online enrollment system.

**When you are ready to enroll, please go to [www.benxpress.com/hfcc](http://www.benxpress.com/hfcc).** The first time that you log in your User ID will be the first initial of your first name and your entire last name. (For example, if your name is John Smith, your User ID is jsmith). Your Password will be the last 6 digits of your social security number. You will have the opportunity to change your Password after your initial login.

Password Guidelines:

- Must be at least 8 characters long
- Cannot exceed 30 characters in length
- Must contain at least 1 uppercase letter (e.g. A)
- Must contain at least 1 lowercase letter (e.g. a)
- Must contain at least 1 number (e.g. 3)
- Must contain at least 1 special character (e.g. \$)

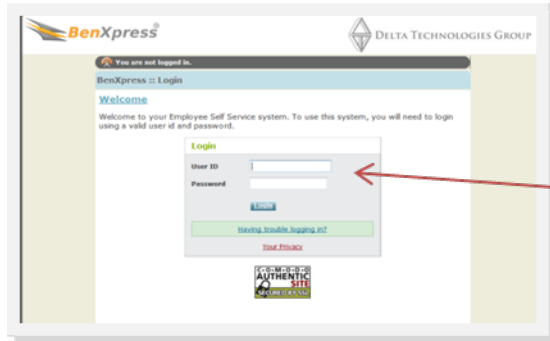

BenXpress is available 24 hours a day, 7 days a week during the annual enrollment period. This year's annual enrollment period will be from **Monday, November 6, 2023 to Monday, November 20, 2023**. You may log into the system and make changes as often as you choose during this time. The last changes you make before the end of the enrollment period will be your final elections.

# INITIAL ELIGIBILITY PERIOD

Newly eligible employees will become a participant in the Plan on the first day of the month following your date of hire.

Enrollment is conducted using BenXpress. Henry Ford College will advise you of the specific period of time in which you must make your initial benefit elections.

Login to:  
**[www.benxpress.com/hfcc](http://www.benxpress.com/hfcc)**

**User ID:** First initial of your first name and last name  
**Password:** Last 6 digits of your social security number

***You may login to BenXpress anytime during the year to view your enrollment information and benefit plan documents, change your beneficiaries and more!***

# ELIGIBILITY

**You are eligible** to participate in the benefit programs if you meet the criteria defined in the DSOEA union contract.

Your eligible **dependents** include:

- Your spouse through legal marriage
- Dependent children until the end of the month in which they reach age 26. They may remain covered to any age if they are totally and permanently disabled by either a physical or mental condition subject to certain criteria.
- Eligible children include:
  - Natural Children
  - Step-Children
  - Foster Children
  - Children for whom you are the Legal Guardian
  - Adopted Children
  - Children for whom you are required to provide coverage pursuant to a Court Order, including those subject to a Qualified Medical Child Support Order

# DEPENDENT DOCUMENTATION

When you first enroll in or if you change coverage mid-year due to a qualified change in family status event, you are required to provide documentation substantiating the eligibility of any dependents within 30 days from the enrollment or change. Please refer to the list below for a list of acceptable forms of documentation. Copies should be submitted, not originals.

Approved dependent documentation includes:

- **Children under age 26:** Birth Certificate, Adoption Papers, Guardianship Document or Court Order.
- **Children over age 26 (disabled):** Contact the Office of Human Resources for required documentation.
- **Spouse:** Marriage Certificate and first page of IRS Income Tax Filing.

Also, if you or your dependents are enrolled in Medicare, please provide a copy of your Medicare card.

# FLEXIBLE SPENDING ACCOUNT (FSA) PROGRAM

Want to stretch your income, reduce costs and pay less in taxes? How? By enrolling in the Flexible Spending Account (FSA) Program administered by Wex. You may choose to participate in the Health Care Flexible Spending Account or the Dependent Care Flexible Spending Account, or both depending upon your individual needs.

## HEALTH CARE FSA

This account allows you to set aside **pre-tax** money from each paycheck to pay for eligible out-of-pocket health care expenses (not covered by your medical, dental or vision insurance) that you and your dependents incur throughout the plan year. You may participate in the Health Care FSA even if you do not participate in our medical, dental and/or vision programs.

### Eligible health care expenses may include:

- Office visit and prescription drug copayments
- Deductibles
- Coinsurance
- Expenses not covered through your medical plan
- Out-of-pocket dental, vision or hearing related expenses

### Ineligible health care expenses may include:

- Insurance premiums for employer-sponsored benefits deducted from your paycheck on a pre-tax basis
- If you itemize certain medical expenses on your income tax returns, those expenses cannot be submitted for reimbursement under this plan

Not a bad deal at all. By taking advantage of this benefit, you can stretch the money available for health care expenses and reduce your federal income and social security taxes — and depending on where you live, your state and local income taxes as well. Use Wex's [FSA Calculator](#) to see how FSAs can help you save. The maximum annual election for the Health Care FSA is \$3,050.

**If you enroll in an HSA-compliant High Deductible Health Plan (HDHP), you may enroll in the Limited Purpose Health Care FSA.** You can reimburse yourself for out-of-pocket dental and vision expenses with the Limited Purpose Health Care FSA. Medical and prescription drug expenses aren't eligible under the Limited Purpose plan.

Any balance of up to \$610 in the Health Care FSA will be carried over into the next year for eligible expenses. Any funds in excess of \$610 will be forfeited.

## DEPENDENT CARE FSA

To decide whether a Dependent Care FSA is right for you, determine if you will incur eligible expenses. Generally, day care, nursery school, after-school care, elder care and companion service costs that allow you (and your spouse, if applicable) to work or attend school full-time are eligible expenses.

Your dependent care expenses must be for qualified individuals, including:

- Your dependent child under the age of 13 who lives with you for more than half the year
- Your spouse or other tax dependent who is physically or mentally incapable of self-care and lives with you for more than half the year

By contributing to a Dependent Care FSA through payroll deduction, you are able to pay for these eligible dependent care expenses with **pre-tax** dollars. The maximum annual election for the Dependent Care FSA is \$5,000.

  - Cold and flu

## 2) Access to discounted prescription, dental, vision and hearing aid services

### Highlights:

- Keep in mind that your membership is NOT insurance – it is a simple and easy to use discount membership
- 10% to 85% off most medications at a participating pharmacy
- 15% to 50% savings per visit, in most instances, on services such as cleanings, x-rays, fillings, root canals, and crowns
- 10% to 60% off glasses, contacts, laser surgery, exams and even designer eyewear

# BASIC LIFE & AD&D

Henry Ford Colleges provides you with basic life and accidental death and dismemberment insurance at no cost to you. A benefit equal to one (1) times earnings will be paid to your beneficiary in the event of your death. If your death is deemed accidental, an accidental death and dismemberment (AD&D) benefit, equal to the amount of your life insurance, is paid to your beneficiary. In addition, a portion of the AD&D benefit will be paid to you if you suffer a loss under the dismemberment portion of the policy (such as the loss of a limb or loss of eyesight). Age reductions, benefit limitations and exclusions apply. Please see the Unum coverage booklet for more details.

## OPTIONAL LIFE

You may purchase additional Life coverage for yourself. The cost of this coverage is payroll deducted in after-tax dollars. Election amounts above the Guaranteed Issue amounts will require evidence of insurability (proof of good health). This means you'll have to answer a few questions about your health and lifestyle and, in some cases, you may be asked to have a physical exam. Amounts of coverage that are subject to the evidence of insurability rules are not effective until approved by Unum.

| Optional Life Coverage Options |   |
|--------------------------------|---|
| <b>Employee Life</b>           | <p>Elect one times Basic Annual Earnings to a maximum of \$150,000</p> <ul style="list-style-type: none"><li>• If you are enrolling within 31 days of your first day of eligibility (e.g. as a new hire), you are guaranteed coverage up to \$150,000 (the guaranteed issue amount).</li><li>• If you waived coverage during your initial eligibility period, you can request coverage during our annual enrollment period, but you will be required to answer medical questions.</li></ul> |

*\*Life benefits reduce at age 70. Coverage effective dates and increases in coverage may be delayed if you are disabled on the date coverage is scheduled to take effect. Other limitations and exclusions apply. Please review your Unum booklet for more details.*

## VOLUNTARY SHORT TERM DISABILITY

You have the opportunity to elect Voluntary Short Term Disability (STD) coverage. A weekly benefit of 60% of earnings up to a maximum of \$1,000 is paid if you become disabled and cannot work because of a non-work-related accident or illness, including pregnancy. Benefits begin on the first day due to injury or on the eighth day due to illness. Benefits are payable for up to 13 weeks. Short Term Disability benefits may be reduced by other income benefits.

If you are enrolling within 31 days of your first day of eligibility (e.g. as a new hire) you are guaranteed coverage without having to answer medical questions. If you waived coverage during your initial eligibility period, you can request coverage during our annual enrollment period, but you will be required to answer medical questions.

If you remain disabled when your Voluntary Short Term Disability benefit ends, you may be eligible for Long Term Disability benefits. This plan is insured by Unum and is an employee-paid benefit. Please see the Unum coverage booklet for more details.

## LONG TERM DISABILITY

Henry Ford College provides you with long term disability (LTD) coverage at no cost to you. A monthly benefit of 70% of earnings up to a monthly maximum of \$5,833 is paid if you become disabled and cannot work for an extended period of time because of a non-work-related injury or sickness. ## Making Mid-Year Changes

We sponsor a program that allows you to pay for certain benefits using pre-tax dollars. With this program, contributions are deducted from your paycheck before federal, state, and Social Security taxes are withheld. As a result, you reduce your taxable income and take home more money. How much you save in taxes will vary depending on where you live and on your own personal tax situation.

These programs are regulated by the Internal Revenue Service (IRS). The IRS requires you to make your pre-tax elections before the start of the plan year (January 1 – December 31). The IRS permits you to change your pre-tax contribution amount mid-year only if you have a change in status, which includes the following:

- **Birth, placement for adoption, or adoption of a child, or being subject to a Qualified Medical Child Support Order which orders you to provide medical coverage for a child**
- **Marriage, legal separation, annulment, or divorce**
- **Death of a dependent**
- **A change in employment status if it affects eligibility under the plan (i.e. full-time to part-time)**
- **A change in election that is on account of, and corresponds with, a change made under another employer plan**
- **A dependent satisfying, or ceasing to satisfy, eligibility requirements under the health care plan**

The change you make must be consistent with the change in status. For example, if you get married, you may add your new spouse to your coverage. If your spouse's employment terminates and she/he loses employer-sponsored coverage, you may elect coverage for yourself and your spouse under our program. However, the change must be requested within 30 days of the change in status. If you do not notify the Office of Human Resources within 30 days, you must wait until the next annual enrollment period to make a change.

*These rules relate to the program allowing you to pay for certain benefits using pre-tax dollars. Please review the vendor documents for information about when those programs allow you to add or drop coverage, add or drop dependents, and make other changes to your benefit coverage, as the rules for those programs may differ from the pre-tax program.*
