

**HENRY FORD COLLEGE  
OFFICE OF THE PRESIDENT**

**BID AWARD**

**SUBJECT:** Refurbished C-Arm X-Ray Unit  
Sealed Bid #23139

The faculty of the School of Health and Human Services (HHS) request a contract for the purchase of one (1) C-Arm Portable X-Ray Unit. The C-Arm X-Ray Unit is a radiography machine that is used during surgical procedures and includes an imaging component with separate viewing station.

It is the intention for this unit to be utilized by both the Radiographer and Surgical Technologist Programs. The purchase of the C-Arm unit will allow for the simulation of exams and procedures performed within a surgical setting, enhance student performance in the clinical setting, and assist students with job placement for both programs. Federal Vocational Education Equipment Grant (Perkins) dollars provide 100% of the funds for this purchase.

The College solicited proposals under Bid #23139. The responses appear below.

Michigan X-Ray	\$ 54,800.00
RPS Imaging	57,700.00
Alpha Imaging	59,875.00
Quantum Leap Imaging	69,995.00
